And because it's important to take a break from time to time, lunch at the Giodi, our almost entirely vegetarian restaurant, is a culinary experience to savour.

Convention and Event Centre Pontresina

The Convention and Event Centre Pontresina is adjacent to the Hotel Saratz. The light-flooded seminar and conference rooms are equipped with state-of-the-art technology and can accommodate up to 450 people. You will find spaces for small gatherings, team meetings or large conventions. Whatever your requirements, we look forward to helping you plan your perfect event.

Hotel Rooms

63 spacious and modern rooms in a contemporary design await you in our „Ela Tuff“ wing. Our main building, the „Chesa Nuova“, was built over 140 years ago and beckons with charm and a touch of Art Nouveau. 30 Junior Suites, Family and Comfort Rooms, all refurbished in 2007, captivate guests with their elegance and a palpable sense of lived history.

*Room to reflect.
Room to relax.
Room to dream.*

Art Nouveau Restaurant

The 140-year-old Art Nouveau Dining Room transports you back to another era – pleasurable, sensual and full of life. It accommodates up to 140 guests. We pride ourselves on using local products sourced from trusted local suppliers. The extensive wine list has over 250 selections from 90 provenances, including some true gems.

In the morning, come down to a lavish buffet breakfast that includes many Engadine specialities from local producers and suppliers: delicious cheese from the Pontresina Dairy, Engadine „Salsiz“ dry-cured sausage, freshly prepared egg dishes, bread and rolls from Bäckerei Kochendorfer in Pontresina, pastries, fluffy croissants, mountain honey, jam, marmalade and all manner of tasty fare.

*Steeped in
Engadine style.*

Hotel Bar

The cosy hotel bar and the sun-exposed hotel terrace are a fantastic setting for receptions. The hotel bar beckons with an intimate fireside ambiance, gin and tonic at the bar (did you know that we stock the Engadine's largest selection of gins?) or a glass of wine on the terrace with views of the Roseg Glacier. For receptions and stand-up dinners of up to 100 people, the hotel bar exudes a welcoming and intimate ambiance that is sure to go down well with your guests.

Giodi Vegetarian und Co.

Giodi Vegetarian und Co. is the first almost entirely vegetarian restaurant. Lovers of vegetarian or flexitarian cuisine come here to enjoy delicious food in our stylish restaurant or, in summer, on the sunny terrace. Enjoyment reigns supreme – whether it's an Engadine beer, a glass of excellent wine or an exquisite meal cooked by top chef Kari Walker. „Food is life,“ is her motto, and she loves to create almost entirely vegetarian dishes – with meat or fish in a supporting role if desired.

*Almost vegetarian,
always delicious!*

Spa & Wellness

The extensive spa and wellness facilities at the Saratz comprise an indoor swimming pool with whirlpool, a spacious relaxation area, a classic wooden sauna and a natural stone steam bath. Located in the historic vaulted cellar, the Sarazenen Spa is a modern interpretation of the hammam and the renaissance of the classic bathing scene. It combines a sociable atmosphere with wellbeing, rejuvenation and health benefits. Guests can also try an Orient-inspired rhassoul treatment, which involves applying a poultice containing three different kinds of healing mud to the body followed by a steam bath. Multi-sensory showers, an ice fountain, a quiet lounge, a gym with NOHRD equipment and a yoga and workout room as well as rooms for massages and beauty treatments complete the spa offer.

*Water is flowing tranquillity
that calms the body and soul.*

*Meetings in nature are a
wellspring of inspiration.*

Hotel Park

The largest hotel park in the Engadine covers an area of 35,000 m² and has lovely spots in which to relax and unwind. The Bagnera is the Upper Engadine's highest outdoor swimming pool and heated to a pleasant 27°C from end of June to September. During the peak season, the Café Bagnera team looks forward to serving you poolside snacks, grilled meats, crisp salads and cool drinks.

Office Caravan

A fresh outlook and a clear mind – isn't that what we all need now and then? All the more so when the office walls are closing in and new ideas are in short supply. Set up your workspace in our Office Caravan. Nestled in the hotel park with wonderful views of the Roseg Valley glaciers yet secluded and peaceful, here is the perfect place to harness your focus and creativity. Finding inspiration in the great outdoors is nothing new – Ford, Edison and Firestone called themselves The Vagabonds and took regular camping trips to get their creative juices flowing. Enjoy a change of scenery while remaining connected. Our Office Caravan is available from June to October. We look forward to your enquiry!

A serene landscape featuring a large, clear blue swimming pool in the foreground. The pool's surface reflects the surrounding environment, including the sky and the dense forest of tall evergreen trees. In the background, a range of mountains with significant snow cover is visible under a clear blue sky. Along the edge of the pool, several white lounge chairs and a large white patio umbrella are arranged, suggesting a peaceful outdoor relaxation area.

*Nature is profligate, sparing
neither expense nor effort to
complete its work in the shortest
possible time.*

Good to know

Getting here

Pontresina is situated in a triangle between Zurich, Milan and Munich. Your vacation destination is within convenient reach by Rhaetian Railway, on the excellent road network or by air.

Getting here by car

By car, you can reach the Engadine easily and conveniently from anywhere in Switzerland, Italy, Germany and Austria.

Distances and estimated journey time:

Zurich – Pontresina: 200 km, 3 hours
Milan – Pontresina: 175 km, 3 hours
Munich – Pontresina: 300 km, 4 hours
Basel – Pontresina: 250 km, 4 hours

In snowfall, the pass roads are only open to vehicles with snow chains or four-wheel drives. We recommend using the Vereina Tunnel car shuttle train from Klosters to the Lower Engadine.

Please check the pass road conditions before you travel.

Getting here by train

With its loop tunnels and vertiginous viaducts, the Rhaetian Railway (RhB) line from Chur via Tiefencastel to the Engadine is one of Europe's most scenic and technically interesting. Another option is to travel to the Engadine from Landquart via Klosters and the Vereina Tunnel. This allows you to get from Zurich main station to Pontresina in 3 hours, 19 minutes.

**Online SBB timetable: www.sbb.ch
Rhaetian Railway: ww.rhb.ch**

Getting here by air

Engadine Airport operates flights to the international airports of Zurich, Geneva, Milan and Munich. Air taxi connections to many other national and international destinations are also available.
